Direct Primary Bugaboos.

It has been confessed that the gov-
ernor's insistence upon the passage
of an election law that shall apply to
the county and precinct offices has
caused considerable opposition in the
ranks of the opposition to these mea-
sures. It is a funny situation, too, for
the men in the lawmaking body will
have to deal directly with a matter af-
fecting their own tenure of office. And
since the matter has been put up to
the voters in a special session it cer-
tainly seems they will have to take
some sort of decisive action.

A good many of the legislators say
the enactment of new legislation is
not necessary—that there would have
to be such election this fall anyway.
This by saying it that he is, the gov-
ernor of a new law can do no harm
since it would be merely confirmatory
of a statute already on the books. At
the same time it is quite possible—in
fact it has been positively asserted—
that several public officials, including
the governor, are not especially strong
for this legislation and that the de-
mand for its enactment is rather a
feeling for popular favor than anything
else. However, no one can say posi-
tively that that is true; and in any
event, Mr. Hunt has placed himself in
a position of tactical advantage and
has thrown the burden of refusing to
enact such a law—if there is such re-
fusal—squarely upon the legislature.

Politics Are Sizzling.

Meanwhile, as a legislative wheels
have begun to revolve again, political
affairs continue to sizzle. The Demo-
crats will hold their statewide primary
May 29 and the Republicans will
hold a county convention June 1
for the purpose of choosing delegates
to the state convention at Tucson June
12.

The first Republican caucus, the
action taken by the committee is irreg-
ular and illegal and follow this with
the Republican primary in which
delegates to this county conven-
tion are to be selected is without sanc-
tion. This primary will occur the 25th.

The bitterness of the fight has been
accentuated by a personal controversy
between H. P. Hays, chairman of the
Republican county committee, and
Roosevelt supporter, and Celso M.
Stoddard, the secretary, who is counted
with the Taft adherents. Stoddard
has come out in an open letter asking
all Taft Republicans to refrain from
voting in the primaries. To add to the
complex situation, Robert S. Fisher, one
of the Republican county committee,
and a Roosevelt man, has broken with
Dwight B. Heard, chairman of the Taft
barrel in Arizona, declaring that Heard
is trying to use the Roosevelt cam-
paign for his own personal glorifica-
tion. All in all it is one of the hottest
flights ever witnessed in Arizona. One
of the immediate results will be the
sending of contesting delegations from
Maricopa county to the state conven-
tion at Tucson; and there is a strong
probability that contesting delegations
will go to the Chicago convention.

YAKUITS FIGHT WITH
REBELS NEAR FRONTERAS

Douglas, Ariz., May 24.—Capt. Fran-
cisco Urbalea with a force of 50 Yaqui
Indians met and decisively defeated a
band of 40 rebels in the Ajo mountains
about 10 miles west of Fronteras.

According to Capt. Urbalea four of
the rebels were killed, including An-
tonio Arana, a rebel leader. The
rebels were a party of 40, carrying
eight or ten wounded with them. Capt.
Urbalea has reached Agua Prieta
bringing with him 24 horses, 15 saddles
and seven rifles which he had captured
from the fleeing rebels.

AMERICANS ARE
SAFE AT ASARCO

(Continued from Page One.)

Asarco, Durango, who several days
ago were reported in sore straits be-
cause of lack of supplies after feeding
the rebel column, apparently are in bet-
ter shape. The federal commander of
the Monterey zone said the rebels were
driven out of those places.

AN EXECUTION AT
HANGCOCK REPORTED

Rebels Said to Have Enticed
Federals Over the Line
to Kill Them.

Custom inspectors C. R. Thilman and
J. N. Water, stationed at Fabens, made
a brief telegraphic report to deputy
customs collector W. W. Carpenter late
Thursday night, telling of the arrest
of two Mexican federal soldiers and
the seizure of their horses, saddles and
rifles. The men crossed near Fabens,
the report said, and were arrested upon
reaching the American side.

No Confirmation of Killing.

Mexican consul E. C. Lorente denies
that he has had any confirmation of
the reported shooting of Sanchez and
Del Hay. The only information the
Mexican consul has received was a tel-
egram giving a few meager facts re-
garding the reported killing of Sanchez.
He says he does not believe that San-
chez has been killed and knows nothing
about his whereabouts at that point on
the border Thursday.

The consul was unable to get into
communication with the federal army
Thursday night and has had nothing
from the front since the battle of
Relano Thursday. He says that ample
arrangements are being made to re-
ceive the retreating rebels should they
come to the state of Chihuahua or go
to Sonora, Sinaloa.

Whether Tiburcio Sanchez has been
executed by the rebels at Guadalupe
or not is not known to the office at
Juarez, who say they were in igno-
rance of the whole affair until told
about the report of his execution Fri-
day morning. No orders have been is-
sued from Juarez for the capture of
Sanchez and if it was done it was the
work of the forces now near Guadalupe.
No report of the supposed execu-
tion had been made to the Juarez
officials by the leaders of the rebel
forces near Guadalupe.

A story came from Fort Hancock
last night that prior to the escape of
Sanchez to this side of the river,
T. E. Sanchez and Luis Del Hay, Mexi-
can government secret agents, were
captured by the rebels and executed.

Sanchez had a son, Luis Sanchez, who
commanded the federal force that took
Guadalupe a few days ago and the re-
bel said the elder Sanchez was shot
by the rebels in revenge for the execu-
tion by the federalists of Capt. Barata
at Guadalupe when the federalists came in.

T. E. Sanchez has been active in the
Mexican revolution since 1910. He was
in Mexico City and had been waiting at Han-
cock to get in communication with the
federal column under Jose de la Cruz
Sanchez, which had been hourly ex-
pected from Ojinaga. A courier sud-
denly arrived telling Sanchez that the
Ojinaga column was two miles away,
inviting him and his companions to
join them across the river. Sanchez
crossed the river and rode ahead with
Del Hay. When they were well along
on the Mexican side, 30 rebels con-
cealed in the bushes gave chase. It is
said, Sanchez and Del Hay were un-
armed. They were easily overtaken by
the gallant rebels. Four men with
Sanchez made for the river and the
rebels were about to fire at two of
them who swam the muddy stream
when the American customs agents
suddenly turned and fired. The federalists
did not fire. The rebels then
escaped.

Three American moving picture opera-
tors have been invited by Sanchez to
follow him across and were in a small
boat in midstream when the rebels ap-
peared. They returned to the Ameri-
can side in safety.

Alberto Madero received a message
from the minister of finances at Mexico
City Wednesday night saying that the
pacification of the states of Oaxaca and
Morelos has practically been completed
by Gen. Blanquet and his federal
force.

EMILIO LOPEZ IS NAMED
JEANES STAMP COLLECTOR.

Emilio Lopez, a brother of Abram
Lopez, the inspector of the post office
in Juarez, has been named collector
of the stamp tax in Juarez by the
rebel government. For some time Mr.
Lopez has been employed in the stamp
office.

DOUGLAS CLAIMS ARE
READY FOR ADJUSTING

Mormon Colonies Are Now
Free from Molestation,
Says Bishop.

Douglas, Ariz., May 24.—All of the
testimony and evidence in the cases
held by local residents against the
Mormon government, growing out of
the last revolution, has been completed
and is now ready to be placed before
the authorities in the City of Mexi-
co. Just how long before the settle-
ments will be made is not known, but
it is the opinion of Sr. Antonio Lazaro
that the claims will receive immediate
attention, probably being the first of
their kind to be paid.

O. J. Brown, a bishop of the Mormon
faith and official representative of
members of the sect now residing in
Mexico, is in Douglas for a short stay.
His particular mission while in this
city will be to investigate conditions
in Colonia Morales and other settle-
ments principally peopled by members
of his faith.

The recent troubles of the colonists
in Chihuahua have been adjusted, said
Mr. Brown. "It looks now as if the
colonists would be able to pursue their
vocations without interference from
either rebels or federalists. There is, of
course, the unexpected situation which
may have to be dealt with. I do not
anticipate any further trouble for mem-
bers of the colonies."

As far as I can learn the Sonora
colonists, enjoying full freedom from
molestation.

RANGERS RELEASE FEDERAL
WHO FLED FROM GUADALUPE.

"We are playing no favorites in
Mexico in this revolution," declared J.
R. Hughes, captain of the state ranger
force.

Cristobal Mendoza, Refugio Vasquez,
Gil Berr, Pedro Baza, Ignacio Men-
doza, Paulino Balcarita and Cruz Rey,
who were held by the soldiers and
rangers Tuesday were escorted to
Sierra Blanca, and released for the
reason that there was nothing against
them," he continued.

"Crus is anything but a Made-
rista. He was a Porfirista during the
Madero revolution of last year, and he
has never changed."

RAVEL GIVES BOND;
NUNOZ IS IN JAIL

Both Are Charged With
Having 5000 Cartridges
in a Wagon.

Joseph E. Ravel, the second hand
dealer and pawn broker, who was ar-
rested at 405 South El Paso street
Thursday afternoon, pleaded not
guilty before United States commis-
sioner George B. Oliver and his bond
was fixed at \$1000 which he gave.

Luis Nuno, who was alleged to be
an accomplice of Ravel's, was returned
to jail as he was unable to give a bond
of \$500. The two men were arrested by
the police Thursday afternoon and de-
livered to the federal authorities. They
are alleged to have had 5000 rounds of
ammunition in a wagon which was in
the rear of the South El Paso street
store.

The ammunition cartons were cov-
ered with trash and it is thought that
the shipment was to have been taken
down the river and across the line to
Mexico.

LEYVA TELLS WHY
HE JOINED FEDERALISTS

Clemente Leyva, the Maderista who
was captured by the rebel forces, was
taken before Col. Pascual Orozco
Friday morning when he told what
connection he had with the federal
forces which took Guadalupe and in-
tended to take Juarez.

He had been hired, he said, at two
pesos a day to join the federalists and
to keep with a band of 200 men for
nearly 20 days. They had organized
at Bosque Bonito on the Mexican
side of the Rio Grande, opposite El Paso,
Blanca, and there had been about 100
in the band, he said. He had been
forced to join the federalists simply on
account of lack of work in El Paso
he said and not because of patriot-
ism.

Leyva is now held at the court in
Juarez.

One True Medicinal Whiskey

Beware of imitations and substitutes unscrupulous deal-
ers tell you are "just as good" as Duffy's
Pure Malt Whiskey.

Some dealers may try to convince you that there is something "just as
good" as Duffy's Pure Malt Whiskey. Pay no attention to their claims,
they are imposing on your confidence.

Substitutes Are Dangerous

It is the well known purity and merit of Duffy's Pure Malt Whiskey
that has caused the manufacture of inferior and unreliable imitations. It is
the natural result of more than half a century's good reputation for purity
and well doing behind Duffy's Pure Malt Whiskey, which has been used
by the Medical Profession, Hospitals, Sanitariums and in the home all these
years with wonderful results.

Duffy's
Pure Malt Whiskey

is an absolutely pure distillation of
selected clean grain thoroughly
malted. Its palatability and its
freedom from injurious substances
render it so that it can be retained
by the most sensitive stomach.
It has been used with remarkable
results in the treatment of pneu-
monia, grip, coughs, colds, malaria,
low fever, stomach troubles and
all wasted and diseased conditions.

Duffy's Pure Malt Whiskey is the
only whiskey that was taxed by the
government as a medicine during the
Spanish-American war.

The genuine Duffy's Pure Malt
Whiskey is sold in sealed bottles
only. The "Old Chemist's Head"
is on the label and over the cork is
an engraved seal. Sold by drug-
gists, grocers and dealers every-
where or direct, \$1.00 a large bottle.
